General Orders

October 10, 2025

Office of the Right Eminent Grand Commander

To the Sir Knights, officers and members of all Constituent Commanderies and to all present and past Grand Commandery Officers of the Grand Commandery of Knights Templar of Ohio.

Greetings:

It is my order that these General Orders be read in their entirety and be made a part of the minutes of each Constituent Commandery at the first stated conclave following the 2025 Annual Conclave of the Grand Commandery of Knights Templar of Ohio.

General Order No. 1 (Divisions)

It is hereby ordered that the Grand Commandery Knights Templar of the State of Ohio shall consist of seven Divisions. Pursuant to section 1038a, each division will have an assigned Division Commander and Deputy Division Commander appointed by the Grand Commander (see list in Roster).

General Order No. 2 (Inspections)

It is hereby ordered that all Constituent Commanderies (except No. 76) of the Grand Commandery of Knights Templar of Ohio be inspected during the current Templar year, and I hereby appoint and commission the Sir Knights listed in the Inspection Schedule of the Roster as my representatives, with the authority and prerogatives of the Grand Commander at such inspections. The inspection will consist of all of the following elements: an Administrative Review (Administrative, Financial and Membership), the Order of the Temple, the Full Form Opening, and shall provide a Ladies' program and host a Traditional Banquet for the Sir Knights and ladies.

General Order No. 3 (Conferral of Orders)

It is hereby ordered that all Constituent Commanderies (except No. 76) shall confer all three Commandery Orders before June 1, 2026. Division leadership will observe and report on these Orders (with the exception of the Commandery's Inspection Order). No Orders shall be conferred during Holy Week (March 29 – April 4, 2026).

General Order No. 4 (Photos)

In order to preserve the solemnity of the Orders, **photography is strictly prohibited** in a Council of the Illustrious Order of Red Cross, a Priory of the Order of Malta, or a Conclave of Knights Templar when open.

General Order No. 5 (By-Laws and Dispensations)

All requests for by-laws changes, dispensations and other special requests must be made in writing (e-mail recommended) through the chain of command (Constituent Commandery to DDC to DC to REGC) and are not approved until signed by the Grand Commander. You must allow three weeks to process.

General Order No. 6 (Returns and Reports)

Each Constituent Commandery shall submit COMPLETE Annual Returns, Uniform Audit Reports (UARs), Reports of Election and other requested reports and documentation to the designated officer, in the required format, and by the deadline specified in the notification to submit.

General Order No. 7 (First Line Signers Records)

Each Recorder shall maintain on file an updated list of first line signers to facilitate timely presentation of Grand Encampment of the USA Membership Jewels and Grand Commandery of Ohio membership citation cords. Each Recorder shall enter the first line signer information into the MMS system for each new Sir Knight when he enters the new knighting information.

General Order No. 8 (Masonic Membership Solutions [MMS])

Accurate and timely membership records shall be maintained in the Grand Encampment's Masonic Membership Solutions (MMS) system. The Commandery's Recorder or an assigned assistant shall enter updates in the system. Failure to enter updates in a timely manner may result in removal of the Recorder and/or Commander from office and/or a financial penalty of up to \$250.00 per occurrence.

General Order No. 9 (Records)

If a Commandery maintains any electronic records outside of MMS, backup copies of such records must be maintained via separate media (printed or electronic), stored in a separate location from the source computer or peripheral equipment and accessible by another member of the Commandery. The location of backup copies should be noted in the Commandery's minutes.

General Order No. 10 (Maximizing the Impact of the Order of the Temple)

When conferring the Order of the Temple, Eminent Commanders should make every effort to ensure a special and personal experience for each Knight of Malta. Ideally, the Order should be conferred on each Knight of Malta individually, however, the Order of the Temple may be conferred on a "class" with the restrictions listed in the supplemental instructions.

General Order No. 11 (Grand Master of Masons of Ohio)

The Most Worshipful Grand Master of Free and Accepted Masons of Ohio is hereby appointed my personal representative and as such shall be received under an Arch of Steel at all occasions where he is present and the Sir Knights of Ohio form lines for the reception of dignitaries.

General Order No. 12 (Templar Aprons)

The wearing of Templar Aprons, either Traditional or Contemporary, has not been approved by the Grand Commandery of Ohio. The wearing of either the Traditional or Contemporary apron in a private or public setting is **not authorized**.

General Order No. 13 (Use of Instructional videos prohibited)

Video tape, DVD, or any other form of video presentation of the Orders of Templary as depicted in the rituals of the Grand Encampment are not to be used in the conferral of said Orders. They were produced for instructional purposes only. The conferral of any Order must be done by Sir Knights, in a Commandery Asylum. The use of these videos to actually confer any of the Templar Orders is a direct violation of our statutes and is strictly prohibited.

General Order No. 14 (Junior Warden's Address)

The Junior Warden of all Constituent Commanderies (except No. 76) of the Grand Commandery of Knights Templar of Ohio shall give from memory in open Commandery at a stated meeting the Junior Warden's Chamber Lecture prior to the Annual Inspection of the Commandery. The Recorder shall make note of that fact in the minutes of that meeting.

General Order No. 15 (Appearances)

A dispensation is hereby granted to all Constituent Commanderies to appear in public in "Full Templar Uniform" at Masonic functions and funeral visitation/services for the purpose of forming escorts and/or honor guards and/or presenting the United States Flag. Dispensation is also granted for participation in public for parades, presenting the United States Flag and religious services (except swords shall be omitted for religious services).

General Order No. 16 (Supplemental Instructions)

Supplemental instructions are issued concurrent with the General Orders to provide additional details and clarification on implementation of the General Orders and shall be strictly followed. The supplemental instructions are not required to be read at a stated conclave. HOWEVER, the Eminent Commander is responsible for ensuring that the other Commandery officers are familiar with these instructions.

Given under my hand and seal of the Grand Commandery of Knights Templar of Ohio, on this 10th day of October, Anno Domini 2025, Anno Ordinis 907.

Ronald L. Ensell, KCT
Right Eminent Grand Commander

Attest: Alfred T. Johnson, KCT, HPGC
Eminent Grand Recorder

Supplemental Instructions to the General Orders

October 2025

1) DIVISIONS:

Each of the seven (7) Divisions will have a Division Commander (DC) and Deputy Division Commander (DDC).

The Division Commander (DC) is responsible to the Grand Commander for activities and the performance of the Constituent Commanderies of his assigned Division. The DDC is responsible to the DC. Duties of the DC and DDC are outlined in the Grand Officers Handbook. DCs and DDCs are eligible to attend Grand Officer meetings when invited. They shall wear a Past Commander insignia (the Passion Cross) on their uniform unless they are entitled to wear a current or Past Grand Officer insignia by virtue of another office held.

An Associate Deputy Division Commander (ADDC) is not required but may be appointed by each Division Commander, at his discretion, to assist the DDC in his duties and to encourage leadership development within each Division. The ADDCs shall wear a Past Commander insignia (the Passion Cross) on their uniform unless they are entitled to wear a current or Past Grand Officer insignia by virtue of another office held. The ADDC is an administrative position only. The ADDC is not recognized as a Grand Commandery Officer.

2) INSPECTIONS:

All Commanderies (except St. George No. 76) will be inspected on a Saturday between January 3, 2026, and April 25, 2026, as listed in the Inspection Schedule of the Roster. There will be no Inspections on March 14, 2026 (East Central Department Conference), or on April 5, 2026 (Holy Week). On inspection day, the Commandery will open no earlier than 1:00 PM.

No Sir Knight is authorized to cancel or reschedule an inspection without the consent of the Division Commander, Inspecting Officer, and the Grand Commander. If there is a Level 3 snow emergency declared in the county where the inspection is being held, the Eminent Commander should immediately notify the Division Commander, who will in turn confer with the Inspecting Officer and Grand Commander on whether to proceed with the inspection as planned. Sir Knights are expected to comply with Level 3 snow emergency travel restrictions and not endanger themselves and traveling companions.

A quorum must be present from the inspected Commandery. Lack of a quorum shall be considered a discrepancy and the planned activities of the day may continue or be terminated at the discretion of the Inspecting Officer. With no quorum, the conclave shall be declared abandoned in the minutes and any opening ceremonies or ritual work shall be considered a practice – not an inspection - and no certificates shall be presented. If the decision is to continue with ritual work as a practice, only a pro tem candidate may be utilized.

The Deputy Division Commander of each Division shall complete an Administrative Review consisting of the Administrative, Financial, and Membership areas of the inspection report for each of the Commanderies in his assigned Division, except for his own Commandery which he shall arrange to be completed by the Division

Commander or a Past Deputy Division Commander of the Division who is not a member of the Commandery. His report consisting of the Inspection Form with the applicable areas completed and any notes or comments must be provided to the Inspecting Officer **at least 3 weeks prior to Inspection Day**.

If there are unavoidable schedule conflicts or other circumstances preventing the Deputy Division Commander from accomplishing the Administrative Review, the Division Commander may relieve the Deputy Division Commander of his responsibility by completing the review himself. In no case shall anyone complete the Administrative Review of his own Commandery.

The Order of the Temple Conferral, Full Form Opening, Ladies' Program and Traditional Banquet shall be inspected by the assigned Inspecting Officer on the designated Inspection Day as well as any open or remaining questions he may have.

In order to facilitate standardization of inspections and to ensure that all Eminent Commanders are evaluated equally, all commanderies will be inspected in the Order of the Temple. There will be no provision to be inspected in another Order regardless of Past Commander status of the Eminent Commander.

The inspected Commandery will confer the Order of the Temple upon only one Knight of Malta. If the inspected Commandery does not have a true Knight of Malta, before opting to use an exemplar candidate, the Eminent Commander should coordinate with the DDC or DC to see if another Commandery has a Knight of Malta in waiting.

When conferring the Order of the Temple, the Knight of Malta shall be clothed in an authorized Templar uniform when knighted, unless the Knight's size or other unavoidable circumstances make it impracticable to be properly uniformed. In which case, the Knight of Malta shall be clothed as similar to the uniform as possible (i.e. black suit without sleeve crosses in lieu of a Class A uniform).

The Pre-Chamber Lecture is not part of the Grand Encampment ritual and is purely optional. It SHALL NOT BE GIVEN UNLESS quiet can be assured and the Sir Knight delivering the lecture can do so proficiently from memory and in the most solemn and serious manner. If the Eminent Commander is not confident that these two requirements can be met, the Pre-Chamber Lecture should not be given.

Only the traditional Full Form Opening will be acceptable for inspection and the elected Eminent Commander must preside and do the work from memory. The lines, escorts, triangle, etc. may be comprised of Sir Knights from other Commanderies, but all Commanderies are otherwise expected to perform the FFO independently.

Forming the lines for reception, receiving and introducing the Inspecting Officer and other dignitaries following usual protocol and forming an Arch of Steel for the Inspecting Officer (and Grand Commander if present) are required on Inspection Day. Commandery, being a uniform Order, all officers, including visiting Officers, should be in full Templar uniform. **Sir Knights not in uniform should not be introduced.**

At the conclusion of the inspection **only** the inspecting officer will be called upon to speak. The inspecting officer may call upon others for comments as he chooses. All announcements and remarks must be given prior to calling on the inspecting officer.

There will be two certificates associated with inspection: a Commandery Proficiency Certificate and the traditional Eminent Commander Certificate. If there are no discrepancies, both certificates shall be presented on Inspection Day. If there are one or more discrepancies, the Eminent Commander Certificate shall **not** be presented on Inspection Day and shall be held until all discrepancies are corrected. If discrepancies are limited to the Eminent Commander only, while the Commandery displayed proficient work, the Commandery Proficiency Certificate shall be presented. In no event shall an Inspecting Officer, in his verbal or written comments, characterize an inspection as “failed.” If there are discrepancies, the inspection is “incomplete,” not failed.

At an appropriate time, the Inspecting Officer will hold a critique of the inspected Commandery to compliment them when appropriate, and share with them ideas for improvement. The Inspecting Officer is expected to motivate, encourage and inspire the Sir Knights. Constructive critiques are to be offered in the fraternal spirit of our Order.

WITHIN 2 WEEKS of the Inspection Day, the Inspecting Officer shall write a post inspection letter to the Eminent Commander highlighting his remarks and make appropriate remarks concerning all inspected areas and the day's events. The inspection letter, a completed inspection report form and the Grand Warder's report may be attached to an email and shall be sent to the Eminent Commander with courtesy copies to the Recorder, DDC, DC, Reviewing Officer and Right Eminent Grand Commander. The Reviewing Officer for Commanderies 1 through 39 is the Deputy Grand Commander and for Commanderies 40 through 84 is the Grand Generalissimo. The Reviewing Officer is responsible for uploading an electronic copy of the letter, report and all attachments to the designated electronic archiving site. There is no requirement to retain hardcopies or provide hardcopies to the Grand Recorder. Any private remarks that the Inspecting Officer deems pertinent to the welfare of the Grand Commandery of Ohio, shall be sent directly to the Reviewing Officer and Grand Commander. The Reviewing Officer may also provide any private remarks he deems appropriate directly to the Grand Commander.

If there is a discrepancy, the Inspecting Officer **shall** notify the Right Eminent Grand Commander as soon as possible via phone call, text or e-mail with a brief description of the discrepancy and the plan for correcting the discrepancy. A Discrepancy Report shall be completed on the designated form and included as an attachment to the post inspection letter to the Eminent Commander referenced above.

Extending hospitality is among the duties of an Eminent Commander and is an important part of the inspection day. A ladies' program or entertainment **shall** be provided while the Order conferral is taking place, including light refreshments for the ladies of the visiting fraters.

A traditional banquet is a required part of inspection day. The banquet may be held at noon, or at the end of the inspection day. Regardless of the timing, the banquet meal served must be a traditional “course dinner” (beyond soup and sandwiches). Templar protocol is to be followed per pages 90-91 of the Tactics including a head table and must include remarks by, at minimum, the Inspecting Officer.

The extent of introductions at the banquet may be dictated by Commandery or Division tradition, but must follow protocol regarding the order of introduction set forth in the tactics (page 91) and, at minimum, include the following:

- (1) Recognize the ranking officer from each visiting Commandery and his lady if present.
- (2) Introduce the DDC and his lady.
- (3) Introduce the DC and his lady.
- (4) Introduce any Past Grand Commanders, Emeritus Grand Officers, and visiting DDCs or DCs from other Divisions who are not seated at the head table and their ladies.
- (5) Recognize all Companions of the Temple (COT).
- (6) Introduce all seated at the head table.

NOTE: The Eminent Commander of the inspected commandery shall conduct the introductions. The Eminent Commander may not delegate this responsibility to any other Sir Knight such as the DC or DDC.

Inspection participation minimum requirements:

- All speaking parts shall be given from memory by voting members of the Commandery [no reading, except for the Prelate's lessons (Bible readings and Sepulcher scene) and the Hermits' lessons].
- Eminent Commander must proficiently preside in FFO.
- Eminent Commander must proficiently preside in the Order of the Temple.

3) CONFERRAL OF ORDERS:

The required review of the Orders of Red Cross or Malta may be accomplished by the DC, DDC, PDC, PDDC of the division, a Grand Line Officer or a Past Grand Commander, but in no case will a Sir Knight review his own Commandery. An individual Commandery is permitted to perform the Orders of Red Cross or Malta in short form. Credit may be given to participating Commanderies when multiple Commanderies or a Division confer the orders jointly in full form only, but each Commandery given credit must have actively participated in the work to a reasonable extent. **Sideline attendance is not considered active participation.**

Eminent Commanders should keep their DC and DDC informed of any plans for conferrals of the Orders of Red Cross or Malta, especially those to be conferred in a "Festival" or "Reunion" format.

4) PHOTOS:

Sir Knights and ladies are cautioned to use good judgement when photographing anything related to Commandery and posting images to social media. Our costumes and robing are intended for the conferral of our Orders and are not appropriate material for social media. Under no circumstances are any images of the relics to be posted on any social media platform. Scrutinize every image and be sure that it portrays our wonderful Christian Order in a positive light!

5) BY-LAWS AND DISPENSATIONS:

For purposes of General Order No. 5, "chain of command" shall be Eminent Commander to DDC to DC to Grand Commander (in turn). Failure to follow the chain of command stops the process and renders the request disapproved. The Eminent Commander may appeal in writing to the Grand Commander. The Grand Commander's decision is final.

6) RETURNS AND REPORTS:

Timely and complete submissions of returns and reports are critical to the efficient management and operation of the Grand Commandery of Ohio. The Eminent Commander is ultimately responsible for these submissions and should proactively work with the Recorder and Treasurer to ensure that submissions are timely and complete.

- a. The Report of Election shall be sent (preferably in electronic format) to the Grand Recorder no later than 14 calendar days after **ELECTION with courtesy copies provided to the DC and DDC.**
- b. The Annual Return of each Commandery shall be submitted (preferably in electronic format) to the Grand Recorder and in his hands no later than June 15, 2026, with a courtesy copy (preferably in electronic format) to the DC and DDC. Payment by July 1, 2026, of fees and dues owed to the Grand Commandery for such year, shall be made to the Grand Commandery of Ohio following the approval by the Grand Recorder of the Annual Return.
- c. A signed copy of the completed Uniform Audit Report (UAR) shall be submitted to the DDC and in his hands no later than July 1, 2026, with a courtesy copy to the DC. The form may be either mailed or attached to an email. The DDC and DC will concurrently review the UAR and work through any required corrections with the Commandery. Once the DDC and DC are satisfied, they will sign and transmit the original or corrected signed form to the Eminent Grand Captain General (Commanderies 1-39) or the Eminent Grand Senior Warden (Commanderies 40-84) with a courtesy copy to the Commandery's Recorder no later than August 1, 2026. The Eminent Grand Captain General and the Eminent Grand Senior Warden are responsible for reviewing the UARs, uploading archive copies to the designated electronic storage site and reporting to the Right Eminent Grand Commander and Very Eminent Deputy Grand Commander on any Commanderies that have assets less than \$1,000.00 OR had total assets decrease during the year by more than 5%.
- d. The Report of Civic and Patriotic Activities shall be sent to the DDC and in his hands no later than July 15, 2026, so that he can collect the data from the Commanderies in the Division and submit a consolidated Division report to the Eminent Grand Captain General no later than August 1, 2026.

7) FIRST LINE SIGNERS RECORDS: No supplemental instructions.

8) MASONIC MEMBERSHIP SOLUTIONS (MMS):

Recorders shall enter Orders in MMS in a timely manner. This should be accomplished within 72 hours, but in no case later than 2 weeks after conferral. Failure to make timely entry of the Order of the Temple in MMS delays issuance of membership/dues cards and receipt of the Knight Templar magazine. Knightings and other status changes must be **entered** into MMS by May 31st to be counted in the current Commandery year.

9) RECORDS: No supplemental instructions.

10) MAXIMIZING THE IMPACT OF THE ORDER OF THE TEMPLE:

When conferring the Order of the Temple, Eminent Commanders should make every effort to ensure a special and personal experience for each Knight of Malta. Ideally the Order should be conferred on each Knight of Malta individually, however, the Order of the Temple may be conferred on a “class” with the following restrictions:

- a. Chamber of Reflection: If the size of the class is 5 or less, each Knight of Malta shall participate individually in the Chamber of Reflection. If the class size is 6 or more then the chamber lecture may be accomplished as a group. If accomplished as a group, it must be accomplished in a setting that as closely resembles an individual Chamber of Reflection as possible.
- b. Fifth Libation: If the size of the class is 5 or less Each Knight of Malta shall participate individually in the 5th Libation. If the class size is 6 or more then the 5th Libation may be accomplished as a group, each Knight of Malta should partake in a manner as closely similar to the Knight kneeling at the base of the triangle as possible. Following the conferral of the 5th Libation upon the Knights of Malta, the Knights shall be positioned at the base of the Triangle as a class. The order shall then resume with the phrase “Pilgrim, you have sealed your Faith” and proceed from that point.
- c. Knighting: Each Knight of Malta shall be individually knighted, and all proceed through an Arch of Steel.

Eminent Commanders should keep their DC and DDC informed of any plans for conferrals of the Order of the Temple, especially those to be conferred in a “Festival” or “Reunion” format and seek their advice and counsel in complying with General Order No. 10.

11) GRAND MASTER OF MASONS OF OHIO: No supplemental instructions.

12) TEMPLAR APRONS: No supplemental instructions.

13) INSTRUCTIONAL VIDEOS: No supplemental instructions.

14) JUNIOR WARDEN ADDRESS: No supplemental instructions.

15) APPEARANCES: No supplemental instructions.

16) SUPPLEMENTAL INSTRUCTIONS: As listed above.
